

I-70 Mountain Corridor Sustainability Success Tracking

How will the I-70 Mountain Corridor measure long-term, corridor-wide success in the I-70 Mountain Corridor, where it wants to preserve and protect its established Context and Core Values?

1. The I-70 Mountain Corridor will promote regional planning that moves the I-70 Mountain Corridor toward sustainability by setting regional goals, thresholds, and standards.
2. The I-70 Mountain Corridor will solicit feedback from stakeholders on the state of improvements in the I-70 Mountain Corridor.
3. The I-70 Mountain Corridor will review and consider corridor-wide Core Value indicators during regional planning within the I-70 Mountain Corridor.
