

October 5, 2007

Dear I-70 Corridor Team Member:

Welcome to the Corridor Team for Context Sensitive Solutions (CSS) project! As a Corridor Team member, you will be working with CDOT and other key stakeholders over the next year and a half to develop the I-70 Mountain Corridor CSS Guidance Manual, provide feedback to the Collaborative Effort which is an element of the Programmatic Environmental Impact Statement (PEIS), and work with county Segment Teams to develop segment specific guidelines for design, aesthetic treatments, construction and mitigation.

As mentioned in CDOT's letter dated October 1, 2007, our first meeting of the Corridor Team is a workshop to clarify the goals of the CSS processes and to discuss how the CSS Corridor Team and Collaborative Effort will interact and support each other's work. The location information follows.

Friday, October 26, 2007

9:00 a.m. to 3:00 p.m.

Keystone Resort and Conference Center

Keystone, Colorado

22101 US Hwy 6

Phone: 970-496-3000

See the attachment to this letter for driving directions to the Keystone Resort and Conference Center.

In the spirit of environmental stewardship, we are striving to run this process using as little paper as possible. This means that we will depend heavily on the project web site (www.i70mtncorridor.com) and email to communicate with you. You will be receiving meeting announcements through email. Project and meeting information will be displayed on the web site. We will bring to the workshops only 20 hard copies of meeting materials.

Please contact Fawn Friend at 720-286-3185 or email her at Fawn.Friend@ch2m.com if you have any questions about the upcoming October workshop.

We look forward to meeting you on October 26, 2007 and are excited to begin our work to develop a legacy for the I-70 Mountain Corridor!

Sincerely,

Bill Scheuerman
CDOT Project Manager

Mary Jo Vobejda
CH2M HILL Project Manager
