Subject: I-70 Aesthetic Working Groups

As a part of the I-70 Context Sensitive Solutions project, the Colorado Department of Transportation (CDOT) is once again engaging stakeholders; this time to participate in the aesthetic guideline development. These guidelines will be used in all future design efforts and will define the appearance of I-70.

We are forming four Working Groups; one for Jefferson County; one for Clear Creek County; one for Summit County and one for both Eagle & Garfield County. You are invited to participate in a County Working Group that includes your geographic area. If your area of responsibility is within more than one County, you are welcome to participate in multiple Working Groups.

CDOT requests your involvement, or an assigned representative, in assisting to prepare the guidelines. The first in the series of 4 meetings is scheduled for Friday, May 29, 2009, at the Silverthorne Pavilion (400 Blue River Parkway). This meeting will establish the aesthetic functional goals for each County. The goal for completing the aesthetic guidelines is December, 2009. Below are the times for the May 29<sup>th</sup> meetings:

	Jefferson County	Clear Creek County	Summit County	Eagle/Garfield County
May 29, 2009	1:00 p – 3:30 p	9:00 a – 11:30 a	9:00 a – 11:30 a	1:00 p – 3:30 p

Please RSVP to Loretta LaRiviere at 720.286.5000 or [Loretta.lariviere@ch2m.com](mailto:Loretta.lariviere@ch2m.com) with the name of the person who will be attending these meetings.

We hope you will be able to join us to continue helping shape the future of the I-70 Mountain Corridor. This effort promises to be fun, rewarding and will contribute significantly to the appearance of the Corridor.

Sincerely,  
Colorado Department of Transportation

Peter Kozinski  
CDOT Project Manager
