TWIN TUNNELS  
ENVIRONMENTAL ASSESSMENT****PLEASE JOIN US TO SHARE YOUR INPUT**

The Colorado Department of Transportation (CDOT) invites you to attend a public open house concerning the Twin Tunnels Environmental Assessment.

CDOT is currently considering improvements to the Twin Tunnels area east of Idaho Springs to Floyd Hill along the eastbound direction of the Interstate 70 (I-70) Mountain Corridor. The purpose of the proposed project is to improve capacity, mobility, and safety along this stretch of the interstate. The Environmental Assessment will define these improvements and provide information on impacts to environmental and community resources and determine appropriate mitigation to minimize any impacts.

A critical part of this process is obtaining your input so that we understand your concerns. Please join us on September 27th to learn more about the project and share your thoughts and questions.

Should you be unable to attend the meeting in person, please visit the project website for more information and an opportunity to provide comment electronically:
