

## I-25: The New Pueblo Freeway

Ilex Street to City Center Drive

**TRAFFIC ADVISORY**

# BRIDGE WORK

## EXPECT LANE REDUCTIONS, DELAYS ON INDIANA STREET UNDER I-25

Please be advised that beginning April 11, the Colorado Department of Transportation (CDOT) and contractor Flatiron Constructors Inc. will temporarily reduce lane widths on Indiana Street under I-25 in Pueblo until mid-August for structural bridge work. Motorists on Indiana Street can expect traffic shifts to either the north or south side of the road as crews work on the bridge structure. Lane shifts will remain in place Monday through Friday from 7 a.m. to 7 p.m. during the five month period. Slight traffic delays are expected and alternate routes are advised.

For information about the I-25 Ilex to City Center Drive project, contact the project team at [i25ilex@PublicInfoTeam.com](mailto:i25ilex@PublicInfoTeam.com) or call 719-470-2270.

CDOT and Flatiron Constructors thank you for your patience during construction.
