# I-25 Traffic Phasing

**34**

**34**

INTERSTATE  
**25**

First, project crews build the temporary lanes that traffic will use while construction begins on the northbound lanes.

-  Northbound Traffic
-  Southbound Traffic
-  Construction Area

# I-25 Traffic Phasing

Northbound I-25 traffic is moved over onto the temporary pavement adjacent to southbound traffic while the northbound lanes are rebuilt.

-  Northbound Traffic
-  Southbound Traffic
-  Construction Area

Northbound I-25 traffic moves back onto the newly constructed lanes to rebuild the median and portion of the southbound lanes.

-  Northbound Traffic
-  Southbound Traffic
-  Construction Area

Southbound I-25 traffic is moved over into the median area adjacent to northbound traffic while the southbound lanes are rebuilt.

-  Northbound Traffic
-  Southbound Traffic
-  Construction Area

# I-25 Traffic Phasing

Both directions of I-25 traffic are back in their permanent configuration on newly constructed lanes.
