

Appendix J.

HISTORIC PROPERTIES

An Office of Archaeology and Historic Preservation file search, data provided by CDOT, and City of Littleton data identified 351 known historic resources in the Environmental Study Area. These resources include districts, residential and commercial buildings, roads, railroads, bridges/overpasses/underpasses, culverts, ditches, and parks. The following table is the compilation of these three sources of information.

National Register Status of Historic Properties and Locally-designated Historic Properties in Environmental Study Area				
Site ID	Address/Location	Resource Name	Resource Type	NR Eligibility
5AH.141	6625 S. SANTA FE DR., LITTLETON	Bungalow	Building	Field Not Eligible (1980)
