

## Traffic Updates- April 17-22

### Roadwork begins on Exit 114 (West Glenwood) Interchange

Expect a one-lane configuration at the Exit 114 interchange. The westbound on-ramp and the north roundabout will be in a one-lane configuration throughout the summer construction season. These one-lane closures are necessary to begin ramp improvements in preparation for the 2017 traffic bridge detour. Exit 116 (Main Glenwood to Aspen exit) will remain open.

### On the Grand Avenue Bridge

Expect periodic one-lane closures on the Grand Avenue Bridge from 9:00 am - 3:00 pm. daily. This work is necessary to stage a concrete pump truck for pier construction.

### Construction Activity

Concrete pour for north abutment traffic bridge.  
Form and pour columns for pedestrian bridge piers.  
Utility project along the 7th Street Plaza.

### Pedestrian and Trails

Two Rivers Park pedestrian bridge will be CLOSED on Monday, April 18th - Wednesday, April 20th. This closure is necessary to clean up the riverbank and pour a concrete sidewalk. The closure is in conjunction with the utility project in the area.
