

Detours: Nighttime I-70 Construction

- Would occur approximately ten nights between 8:30 p.m. and 5:30 a.m. for safety-critical overhead work.
- I-70 traffic would be rerouted onto 6th Street through temporary break in I-70 barrier near Yampah Vapor Caves.
- On east end of detour, both travel directions would be located on north side of I-70.
- Eastbound traffic would cross back over to I-70 eastbound lanes just west of No-Name tunnel.
