# HOW DID WE GET HERE?

## WORK THAT HAS OCCURRED SINCE COMPLETION OF THE PEL STUDY:

A Traffic Operations and Capacity Analysis was conducted

A Right-of-Way Impacts Analysis was completed

The PEL Recommended Alternatives were re-screened  
The intersection design options – based on the PEL Recommended Alternative – were screened before being presented to the community in October 2021 for factors including but not limited to:

+ Traffic Operations

+ Safety Improvements

+ Right-of-Way Impacts

# PROJECT AREA

# FINAL ROADWAY DESIGN

## Example Cross Section

Between 1st Street & 5th Street

# PROJECT BENEFITS

Roundabouts at 1st and 5th Streets to make intersections safer

---

New utility infrastructure throughout project

---

New storm drain system

---

Controlled access to businesses

---

Safety benefits with new sidewalks and lighting

# WHAT'S NEXT?

## US 6 CLIFTON TIMELINE

April 20th Public Open House

# WHAT TO EXPECT

We understand construction is tough on our neighbors and drivers, which is why we're doing everything we can to minimize impacts and keep you informed.

## ACTIVITIES YOU MAY ENCOUNTER DURING US 6 CONSTRUCTION

Slow Driving  
Conditions

Construction  
Materials

Heavy  
Machinery

Dust, Noise and Vibrations  
Near the Work Area

**THANK YOU FOR YOUR PATIENCE**

Our approach to the project includes keeping US 6 open to traffic, minimizing lane closures as much as possible, and scheduling work during daytime hours

# ALTERNATIVE ROUTE

## US6 WILL REMAIN OPEN DURING CONSTRUCTION

A recommended alternate route to help avoid the primary work area is to take 32 Road to Mesa Ave, then E 1/2 Road to 33 Road.
