Alternatives Analysis /
Environmental Evaluation

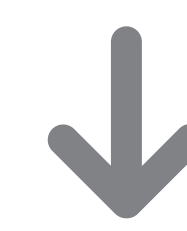

2026-2028

Final Design

2028-2030

Construction & Testing

2030

New BRT Transit Service Begins

Public Engagement

WE ARE
HERE

The public will
help us:

- Confirm needs and issues to be addressed
- Identify and evaluate a range of potential solutions
- Confirm preferred solution(s) to move into detailed environmental analysis

Next public
meeting:

- Winter/Spring 2025
