

## We Heard You!

- During the spring and summer of 2019, CDOT spoke to residents in communities across the state to build a plan for the future of Colorado's transportation system.
- Improving our interstates was one of the top priorities identified.
- The 10-Year Strategic Project Pipeline invests \$1.2 billion (37.5 percent of all funding) into improving the condition of our interstates.
- The I-270 Corridor Improvements project received over \$200M in funding.

# VISION FOR COLORADO'S TRANSPORTATION SYSTEM

**10-YEAR STRATEGIC PROJECT PIPELINE**

Grand Avenue Bridge ribbon-cutting ceremony in Glenwood Springs

“ In May 2019, I directed the Colorado Department of Transportation (CDOT) to embark on an effort to refresh our transportation plan and priorities based on firsthand input from residents across the state.

Our goals were simple: to hear directly from Coloradans about what they need from our transportation system; to ensure that we are prioritizing precious taxpayer dollars in ways that best deliver on those needs; and to energize an ongoing statewide conversation about the vitality of transportation in connecting our daily lives.

Now, with that input gathered from across the state, we're ready to present our 10-year vision for Colorado's transportation system. ”
