

Public Notice of Availability
Colorado Department of Transportation
Federal Boulevard Improvements Project between
West 7th Avenue and West Howard Place
Environmental Assessment
Document Availability

The Federal Highway Administration (FHWA), the Colorado Department of Transportation (CDOT), and City and County of Denver announce the availability of the Federal Boulevard Improvements Project between West 7th Avenue and West Howard Place Environmental Assessment (EA). All interested stakeholders are encouraged to review and comment on the EA. The comment period for the EA begins on October 15, 2014 and will continue through November 14, 2014.

Preferred Alternative

FHWA and CDOT have identified a preferred alternative that adds a third northbound lane between West 7th Avenue and West Howard Place, a raised median between West 7th Avenue and West Howard Place, upgrades the existing pedestrian facilities in compliance with the Americans with Disabilities Act throughout the Project Area from West 7th Avenue and West Howard Place, and enhances multimodal connectivity. More information on the Preferred Alternative, its environmental impacts, and mitigation commitments are included in the EA document.

A public meeting is not planned during the 30-day review period. A public meeting was held August 14, 2014 at the Barnum Recreational Center and there have not been changes to the alternative, impact assessment, or mitigation commitments since the event. However, per 23CFR771.111 (h)(2)(iv) individuals may request a meeting during the 30-day review period. Requests or questions about the comment period, how to comment or the EA should be directed to Karen Good at the City and County of Denver (contact information provided above).
