Historic Properties

LEGEND

— Area of Potential Effect

/// Westside Historic District

● No Historic Properties Affected: historic properties are either not present or are present but not affected.

● No Adverse Effect: the historic property is affected but the characteristics that qualify the property for inclusion in the National Register are not affected.

● Adverse Effect: an action directly or indirectly alters the characteristics of a historic property that qualify it for inclusion in the National Register.

Source: TEC, 2010

Note:
The Westside Historic District received an Adverse Effect determination under Section 106 because of the acquisition and demolition of two contributing properties (5PE5285 and 5PE5288).
