6.0 PROPOSAL EVALUATION PROCESS

The following procedure outlines the proposal evaluation process to be conducted in accordance with this Evaluation Manual. The Evaluation Manual flowchart is included in **Figure 2** of this Evaluation Manual.

6.1 Proposal Evaluation Process - Step 1

Upon CDOT's receipt of the proposals, the Responsiveness Facilitator will conduct a Responsiveness Review of each proposal in accordance with the process identified below, to determine the responsiveness sufficiency of each proposal.

- The Responsiveness Review will be conducted in accordance with the Final RFP and the Responsiveness Checklist identified in **Appendix A** of this Evaluation Manual.
- The Responsiveness Facilitator, with concurrence of the Coordination Team Leader, may issue a Request for Clarification to a Proposer to solicit supplemental information. The proposals may not be significantly altered nor materially changed by the clarification.
- The Coordination Team Leader will evaluate the Request for Clarification issued by the Responsiveness Coordinator and determine if the purpose of the request falls within reason to the criteria listed below:
 - Resolves any minor uncertainties or obtain clarification concerning the proposal's responsiveness.
 - Resolves any suspected mistakes unrelated to the technical content of the proposal by calling the suspected mistake to the attention of the Proposer.
 - Provides the Proposer a reasonable opportunity to submit clarifications that are in response to the Request for Clarification resulting from the proposal responsiveness review, unrelated to the technical evaluation of its proposal content.
- If the Responsiveness Facilitator determines that a proposal (including any Request for Clarification responses) is non-responsive, the Responsiveness Facilitator will recommend to the Coordination Team Leader that CDOT declare the proposal non-responsive.
- If the Coordination Team Leader agrees with the Responsiveness Facilitator's non-responsive recommendation, the Coordination Team Leader shall draft a notice for the Executive Oversight Committee's approval. If the Coordination Team Leader does not agree with the Responsiveness Facilitator's non-responsive recommendation, the Coordination Team Leader shall escalate the discussion to the Executive Oversight Committee.
- The Executive Oversight Committee shall concur with the notice, the notice will be issued to the appropriate Proposer by the Contract Officer listed in the Final RFP, or a substituted Contract Officer approved by the Project Director. If the Executive Oversight Committee does not agree

with the notice, the proposal shall be deemed responsive.

- Non-responsive proposals **will not** be evaluated or scored.
- Responsive proposals **will** be evaluated and scored.

6.2 Proposal Evaluation Process - Step 2

For all proposals that are determined to be “Responsive”, Step 2 of the evaluation process will begin in accordance with the process identified below.

6.2.1 Proposal Evaluation Team Process

- Each Proposal Evaluation Team member shall review the **entire** proposal with focus on their respective assigned proposal section to determine the merits of each Proposer’s overall approach to meeting the requirements of the Final RFP.
- Each Proposal Evaluation Team member shall complete an assessment of “Significant” or “Minor” Strengths and Weaknesses, (as defined in **Appendix B** of this Evaluation Manual), of their **assigned** proposal section using the appropriate Individual Evaluator Scoresheet located in **Appendix C** of this Evaluation Manual.
- Each Proposal Evaluation Team member shall provide reasoning of the “Significant” or “Minor” Strengths and Weaknesses by documenting comments in the appropriate Individual Evaluator Scoresheet. The comments should be specific, objective and not generalizations.
- Each Proposal Evaluation Team member shall assign a corresponding score based off the defined criteria in **Appendix B** of this Evaluation Manual. Each Team member’s assessment of “Strengths and Weakness”, and the definition of the scores will be the sole basis of their score. The Score will be to the Nearest one quarter point (1.0,1.25,1.5, etc.), and shall then be recorded on the appropriate Individual Evaluator Scoresheet located in appendix C of this Evaluation Manual.
- Each Proposal Evaluation Team Leader shall schedule and facilitate a Proposal Evaluation Team Meeting with their respective Proposal Evaluation Team. This meeting will be used to discuss the documented Strengths, Weaknesses, and scores of the individual Proposal Evaluation Team members including the Proposal Evaluation Team Leader.
- At the conclusion of the Proposal Evaluation Team Meeting. The Proposal Evaluation Team Leader will average the individual Proposal Evaluation Team member’s scores to arrive at a consensus score for their assigned proposal section using the appropriate Evaluation Team Consensus Scoresheet located in **Appendix E** of this Evaluation Manual. The Contract Officer listed in the Final RFP, or a substituted Contract Officer approved by the Project Director, shall validate the spreadsheet.
- Each Proposal Evaluation Team Leader shall present their Evaluation Team Consensus Scoresheet to the Coordination Team at the Proposal Coordination Team Meeting. See below for information regarding the Proposal Coordination Team Meeting.

6.2.2 Coordination Team Process

- The Coordination Team Leader shall schedule and facilitate the Proposal Coordination Team Meeting that will include the Proposal Evaluation Team Leaders, Observers, and Technical Advisors (if requested). The Proposal Evaluation Team Leaders shall present their individual team’s consensus findings at a high level and discuss the information with the Coordination Team.
- Upon overall validation at the Proposal Coordination Team Meeting, the Coordination Team Leader will apply the maximum number of points available to each proposal section of the Proposal Evaluation Process, for each proposal. This will be documented using the Coordination Team Consensus Scoresheet located in **Appendix F** of this Evaluation Manual. This process will calculate

the Proposal Evaluation Score for each proposal. The Contract Officer listed in the Final RFP, or a substituted Contract Officer approved by the Project Director, shall validate the spreadsheet.

- Once the Proposal Evaluation score is calculated for each proposal, the Coordination Team Leader shall rank the proposals in ascending order and document the ranking using the Coordination Team Shortlist Consensus spreadsheet located in **Appendix G** of this Evaluation Manual.
- The Coordination Team Leader shall then determine the recommended Shortlisted Proposers List in accordance with the Final RFP. The Contract Officer listed in the Final RFP, or a substituted Contract Officer approved by the Project Director, shall validate the list.
- The Coordination Team Leader will prepare the EOC Shortlist Concurrence Memo and provide it to the Executive Oversight Committee 48-hours in advance of the EOC Proposer Shortlist Meeting.

6.2.3 Executive Oversight Committee Process

- The Coordination Team Leader shall schedule the EOC Proposer Shortlist Meeting and invite all EOC members, Observers, and Coordination team members.
- The Coordination Team shall present the results of the proposal evaluation to the Executive Oversight Committee at the EOC Proposer Shortlist Meeting. The EOC may request that any member of the Coordination Team answer questions on the evaluation process and results.
- The EOC shall provide verbal concurrence of the recommended Shortlisted Proposers list and sign the EOC Shortlist Concurrence Memo.
- Representatives of the Federal Highway Administration (FHWA) and Observers may attend the EOC Proposer Shortlist Meeting. However, no representative or Observer will participate in the deliberations of the Executive Oversight Committee regarding the list of Shortlisted Proposers.
- The Coordination Team Leader shall inform the Contract Officer listed in the Final RFP, or a substituted Contract Officer approved by the Project Director, to notify all Proposers of the results. The Shortlisted Proposers will then proceed to the interviews.

7.0 INTERVIEW EVALUATION PROCESS

Only Shortlisted Proposers are eligible to participate in the interview phase. The following procedure outlines the interview evaluation process. The Evaluation Manual flowchart is included in **Figure 2** of this Evaluation Manual.

7.1 Interview Evaluation Team

Each Interview Evaluation Team member shall attend the Shortlist interviews and evaluate each interview in accordance with the process identified below.

- The Contract Officer, or a substituted Contract Officer approved by the Project Director, listed in the Final RFP will facilitate the interviews.
- Each Interview Evaluation Team member shall observe the interview to determine the merits of each Proposer's overall responsiveness and approach to meeting the requirements of the Final RFP.
- Each Interview Evaluation Team member shall complete an assessment of "Significant" or "Minor" Strengths and Weaknesses, (as defined in **Appendix B** of this Evaluation Manual), of the interview using the Interview Individual Evaluator Scoresheet located in **Appendix H** of this Evaluation Manual. Each Interview Evaluation Team member shall provide documentation of their assessment of "Significant" or "Minor" Strengths and Weaknesses by documenting comments in the Interview Individual Evaluator Scoresheet, of which the comments should be specific and not generalized. This shall be completed for the presentation, the team challenge, and the question-and-answer session of the interview.
- Each Interview Evaluation Team member shall determine a corresponding score based off the defined criteria in **Appendix B** of this Evaluation Manual. Each Team member's assessment of "Strengths and Weakness", and the definition of the scores will be the sole basis of their score. This shall be completed for the presentation, the team challenge, and the question-and-answer session of the interview. The scoring shall also be recorded on the Interview Individual Evaluator Scoresheet.
- The Coordination Team Leader/Interview Evaluation Team Leader will schedule and facilitate an Interview Evaluation Team Meeting. The Coordination Team Leader will lead the discussion of Strengths, Weaknesses, and scores of each Shortlisted Proposer and ensure that each Interview Evaluation Team member has opportunity to express their perspectives in the meeting.
- Upon verification, the Coordination Team Leader will average the individual Interview Evaluation Team member's scores to arrive at consensus scores for the Interview Evaluation Team using the Coordination Team Interview Consensus Scoresheet located in **Appendix I** of this Evaluation Manual. This shall be completed for, the presentation, the team challenge, and the question-and-answer session of the interview. The Contract Officer listed in the Final RFP, or a substituted Contract Officer approved by the Project Director, shall validate the spreadsheet.
- Upon overall validation at the Interview Evaluation Team Meeting, the Coordination Team Leader will apply the maximum number of points available for each interview sections of the interview evaluation process for each proposal using the Coordination Team Total Scoresheet located in **Appendix J** of this Evaluation Manual. This process will calculate the Interview Evaluation Score for each proposal. The Contract Officer listed in the Final RFP, or a substituted Contract Officer approved by the Project Director, shall validate the spreadsheet.

8.0 TOTAL SCORE PROCESS

The following procedure outlines the Total Score process to be followed to complete the overall evaluation process. The Evaluation Manual flowchart is included in **Figure 2** of this Evaluation Manual.

8.1 Coordination Team Leader Process

- The Coordination Team Leader will calculate the Total Score by adding the Proposal Evaluation score and the Interview Evaluation score for each Shortlisted Proposer using the Coordination Team Total Scoresheet located in **Appendix J** of this Evaluation Manual (for clarity, this is the same scoresheet as mentioned above). The Contract Officer listed in the Final RFP, or a substituted Contract Officer approved by the Project Director, shall validate the spreadsheet.
- Once the Proposal Total Score is calculated for each Shortlisted Proposer, the Coordination Team Leader shall rank the Shortlisted Proposers using the Coordination Team Final Ranking of Shortlisted Proposers sheet located in **Appendix K** of this Evaluation Manual. The Coordination Team Leader shall then determine the recommended highest ranked Shortlisted Proposer in accordance with the Final RFP. The Contract Officer listed in the Final RFP, or a substituted Contract Officer approved by the Project Director, shall validate the spreadsheet.
- The Coordination Team Leader will prepare the EOC Apparent Successful Proposer Memo and provide it to the Executive Oversight Committee 48-hours in advance of the EOC Final Ranking Concurrence Meeting.

8.2 Executive Oversight Committee Process

- The Coordination Team Leader shall schedule the EOC Final Ranking Concurrence Meeting and invite all EOC members, Observers, and Coordination team members.
- The Coordination Team shall present the results of the Interview Evaluation and proposer Total Scores to the EOC at the EOC Final Ranking Concurrence Meeting. The EOC may request that any member of the Coordination Team answer questions on the interview evaluation process and results.
- The EOC shall provide verbal concurrence of the final proposer rankings and sign the EOC Apparent Successful Proposer Memo. The highest ranked Proposer will now be referred to as the Apparent Successful Proposer.
- Representatives of the Federal Highway Administration (FHWA) and Observers may attend the EOC Final Ranking Concurrence Meeting. However, no such representative or Observer will participate in the Executive Oversight Committee's decision regarding the selection of the Apparent Successful Proposer.
- The Coordination Team Leader will send the signed EOC Apparent Successful Proposer Memo to the Chief Engineer. The Coordination Team Leader shall prepare the Chief Engineer Authorization to Award Memo and send it to the Chief Engineer once the Chief has had time to review the evaluation results in the Apparent Successful Proposer memo.
- With the signed CE Authorization to Award. The Coordination Team Leader shall inform the Contract Officer listed in the Final RFP, or a substituted Contract Officer approved by the Project Director, to notify all Proposers of the results and post the final results to the project website.

2. All Selection Panel Members have signed Non-Disclosure Agreements and Conflict of Interest Disclaimers as part of this procurement and cannot directly be contacted by or contact anyone outside of the Evaluation Facilitator about this project until the CM Services contract has been executed.
3. Points have been assigned prior to evaluation and are to be consistent on all evaluation forms. Comments by Selection Panel members are required on all scoring forms so that all Proposers may receive constructive feedback on their proposals and performance.
4. Selection Panel scoring values will be only numbers in whole, half, or quarter-number increments (i.e. 2.25, 3.50, 4.00.). Scoring of the proposal and interview will be based on the Evaluation Assessment Guidelines as set forth in the table below.
5. Strengths and Weaknesses for the Evaluation Assessment Guidelines as set forth in the table below are defined as follows:
 - A. *Strengths* - That part of the proposal that ultimately represents a benefit to the Project and is expected to increase the Proposer's ability to meet or exceed the Project Goals. A Minor Strength has a **slight positive influence** on the Proposer's ability to meet or exceed the Project Goals while a Significant Strength has a **considerable positive influence** on the Proposer's ability to meet or exceed the Project Goals.
 - B. *Weaknesses* - That part of a proposal which detracts from the Proposer's ability to meet the Project Goals or may result in inefficient or ineffective performance. A Minor Weakness has a slight negative influence on the Proposer's ability to meet the Project Goals while a Significant Weakness has a considerable negative influence on the Proposer's ability to meet the Project Goals

APPENDIX B - STRENGTHS/WEAKNESSES/SCORING (CONTINUED)

Evaluation Assessment Guidelines	
Selection Panel members will individually evaluate and score their assigned proposal category in accordance with the evaluation criteria set forth in this RFP and assign a numerical score according to the scoring methodology listed below.	
Score	Description
5	The Proposer demonstrates <u>several Significant Strengths</u> and/or <u>several Minor Strengths</u>, has <u>no Significant Weaknesses</u> or <u>no Minor Weaknesses</u> regarding the following bullets: • The Proposer's understanding of and approach to meeting the Project Goals. • The Proposer's understanding of and approach to meeting the stated requirements and objectives of this scoring category. • The Proposer communicates a commitment to quality for all phases of the Project. • The Proposer's qualifications. The response supports an extremely strong expectation of successful Project performance if ultimately selected as the CM.
4	The Proposer demonstrates <u>several Minor Strengths</u> and/or <u>few Significant Strengths</u>, has <u>few Minor Weaknesses</u> and <u>no Significant Weaknesses</u> regarding the following bullets: • The Proposer's understanding of and approach to meeting the Project Goals. • The Proposer's understanding of and approach to meeting the stated requirements and objectives of this scoring category. • The Proposer communicates a commitment to quality for all phases of the Project. • The Proposer's qualifications. The possibility exists that if selected, the Proposer may offset the Weakness of the response with their strengths. However, their minor weakness could slightly affect the success of the Project.
3	The Proposer demonstrates <u>several Minor Strengths</u> and <u>no Significant Strengths</u>, has <u>several Minor Weaknesses</u> and <u>few Significant Weaknesses</u> regarding the following bullets: • The Proposer's understanding of and approach to meeting the Project Goals. • The Proposer's understanding of and approach to meeting the stated requirements and objectives of this scoring category. • The Proposer communicates a commitment to quality for all phases of the Project. • The Proposer's qualifications. The possibility exists that if selected, the Proposer's Weaknesses could have an adverse effect on the success of the Project.
2	The Proposer demonstrates <u>few Minor Strengths</u> and <u>no Significant Strengths</u>, has <u>several Minor Weaknesses</u> and/or <u>several Significant Weaknesses</u> that demonstrate deficiency regarding the following bullets: • The Proposer's understanding of and approach to meeting the Project Goals. • The Proposer's understanding of and approach to meeting the stated requirements and objectives of this scoring category. • The Proposer communicates a commitment to quality for all phases of the Project. • The Proposer's qualifications. It is probable that if selected, the Proposer's Weaknesses will have an adverse effect on the success of the Project.
1	The Proposer demonstrates <u>no Minor Strengths</u> and <u>no Significant Strengths</u>, has <u>several Minor Weaknesses</u> and/or <u>several Significant Weaknesses</u> regarding the following bullets: • The Proposer's understanding of and approach to meeting the Project Goals. • The Proposer's understanding of and approach to meeting the stated requirements and objectives of this scoring category. • The Proposer communicates a commitment to quality for all phases of the Project. • The Proposer's qualifications. The response supports a strong expectation that if selected, the Proposer's Weakness will negatively impact the pursuit of the Project Goals.
