

PUBLIC INPUT - WHAT YOU'VE TOLD US ABOUT THE APPEARANCE OF US 24

At the August 24, 2008 Aesthetic Planning Open House, we asked for input on corridor aesthetics.

We asked five questions:

- 1. What function should the aesthetic treatments serve?**
- 2. What are the potential visual themes that can support community function?**
- 3. Did the Design Team miss any additional corridor elements?**
- 4. What views are important to highlight?**
- 5. What views are important to screen?**

And finally we asked for general comments.

From the Responses

- Two themes emerged**
 - Historic**
 - Natural Environment**
- You said to improve the area by**
 - Providing a gateway**
 - Encouraging visitors**
 - Improving Economic Viability**
- You asked**
 - To highlight the mountains and historic buildings**
 - To hide or eliminate junk yards and billboards**
 - Shield neighborhood from roadway**

These comments were similar to comments made through out the public process.
