

What we have heard from you...

"I am concerned about the number of trucks on Main Street."

"I am concerned about the portion of the proposed alignment that crosses the Arkansas River."

"I am concerned about the viability of downtown Lamar after the truck route is built."

"I am concerned about affects to wildlife and endangered species."

"If a truck route is built, there is a risk that no improvements to Main Street will be funded."

"We need to make Main Street a safe place to drive."

"Our local projects are not receiving the priority and funded that they need."

"I want a study to be done that looks at the affects of bypasses on towns similar to Lamar."

"I am concerned about the noise traffic on US 287 through town makes."

"Traffic along Main Street will increase in the future."

"I would like ways to mitigate the impacts to business to be studied."
