- ✱ Close Access Unsignalize
- Full Movement
- ▲ 3/4 Movement Proposed
- ⊕ Access for Shared Access Point
- ★ Right-in/ Right-out CDOT
- Potential Roadway
- Parcel
- Major Intersection
- Mesa
- County Jurisdiction

This is an interim access plan for the purpose of supporting the design of CDOT's US 6 Elberta Ave roundabout project. Implementation of the short term access plan will occur with the construction of CDOT's US Elberta Alberta Ave roundabout project. The access plan map is intended to show recommendations for accesses only and not planned multi modal or roadway improvement designs. The background map is only for location and identification purposes and is the existing condition.
