### **Mission**

***The mission of the Colorado Task Force on Drunk and Impaired Driving (CTFDID) is to support the prevention, awareness, enforcement, and treatment of drunk and impaired driving in Colorado through strong partnerships with public, private and non-profit organizations.***

***The CTFDID brings people together, creating a forum for victims and advocates to access many experts and resources in one place. It provides a formal mechanism to leverage resources in order to create a multi-faceted approach to solving a problem, which is often minimized and understated in our community. The CTFDID acts as a resource for the legislature, enabling it to consider more cohesive, well-thought-out proposals.***
