Meeting Minutes

Friday, June 28th, 2024

9:30 am – 10:00 am MST

The June meeting was held virtually.

Mission

The mission of the Colorado Task Force on Drunk and Impaired Driving (CTFDID) is to support the prevention, awareness, enforcement, and treatment of drunk and impaired driving in Colorado through strong partnerships with public, private, and non-profit organizations.

The CTFDID brings people together, creating a forum for victims and advocates to access many experts and resources in one place. It provides a formal mechanism to leverage resources in order to create a multi-faceted approach to solving a problem, which is often minimized and understated in our community. The CTFDID acts as a resource for the legislature, enabling it to consider more cohesive, well-thought-out proposals.

 - Originally thought last week that we were be able to do this through electronic vote.
 - However, I was called the immediately by the AG's office letting me know that that's not going to be able to be acceptable within the Open Meeting Act.
 - We do have to submit this with our application.

- It is due to our executive director CDOT to be able to sign off.
- Due July 1st.
- I was able to give a few days extension on that and I will have that over to Glenn and Carol once we get this approved by next two days and once we have that approved, it will be a part of the impaired driving.
- Impaired driving plan will be a part of the application that we will submit for the funding and generates through NHTSA over \$3.1 million of funding for the state and it will fund programs such as impaired driving, enforcement, training, and their schools that we put on the Community Traffic Safety programs.
