Colorado Standard Highway Signs

Issued: January 18, 2026

Preface

The information contained herein reflects the new and revised sign designs that have been adopted as supplement to the 11th Edition of the *Manual on Uniform Traffic Control Devices for Streets and Highways* (MUTCD) and the Colorado Supplement. This edition contains expanded sign design guidelines for regulatory signs, warning signs, guide signs, temporary traffic control signs, emergency management signs, and Colorado special signs per Colorado Department of Transportation standards.

The new and updated sign designs in this Supplement supersede any previous designs for the same signs that were previously approved and issued.
