

MEMORANDUM

DEPARTMENT OF TRANSPORTATION
Safety and Traffic Engineering Branch
1325 South Colorado Boulevard Suite 700
Denver, Colorado 80222
(303) 757-9543

DATE: December 12, 2014
TO: All Holders of Standard Plans
FROM: **K.C. Matthews, Traffic Standards and Specifications Engineer**
SUBJECT: **Revision to Standard Plan S-614-1, Sheet 1, “Ground Sign Placement”**

With this memorandum, Safety and Traffic Engineering Branch is issuing revisions to the S-614-1 standard plan, Sheet 1 of 2.

The Revised Standard Plan S-614-1, Sheet 1 of 2 supersedes the current Standard Plans sheet of the same title and sheet number.

Following are the changes on the revised sheet:

Sheet 1 – All bottom sign panels are all labeled ‘plaques’ to be consistent with the current MUTCD. Note 9 was edited for consistency with the previous statement.

The designer should be sure that there are no other plan requirements or special provisions that conflict with these standards.

To obtain a print copies of this standard please check the S-Standard Plans web site:
