MEMORANDUM

TO: ALL HOLDERS OF STANDARD PLANS

FROM: K.C. MATTHEWS, TRAFFIC STANDARDS AND SPECIFICATIONS ENGINEER

DATE: FEBRUARY 8, 2017

SUBJECT: REVISIONS OF STANDARD PLANS S-614-05 "BREAK-AWAY SIGN SUPPORT DETAILS FOR GROUND SIGNS"

With this memorandum, the Safety and Traffic Engineering Branch is issuing revisions to the S-614-05 standard plan set.

The Revised Standard Plan S-614-05 sheets of the following:

- Sheet 1 of 2

supersedes the current Standard Plans sheet of the same title and sheet number.

Following is the change on the revised sheet:

- Sheet 1/2 -
 - Under the "Break-Away Plate Data Table", revised dimension "D" to 3 ¼" from 3 ¾" for post sizes W10x26 and W10x22.
