

MEMORANDUM

To: All Holders of Standard Plans
From: Esayas Butta, Traffic Standards and Specifications Engineer
Date: March 1, 2024
Subject: Issuance of Standard Plan S-614-01 “Ground Sign Placement”

With this memorandum, the Traffic Safety and Engineering Services Branch is issuing the S-614-01 standard plan set. This standard plan set, with all revisions, supersedes all previous standard plans of the same title.

The following revisions have been made to the S-614-01 standard plan set:

Sheet 1 of 2

- Revised general note 3 to include references to S-614-6 and S-614-8 for footing depth.
- Revised general note 8 to reference the latest version of CDOT Guide Signing Policies and procedures.

Sheet 2 of 2

- Updated the reference note for Class III Signs, Panel Ground Clearance detail to include S-614-6.

The designer should ensure that there are no other plan requirements or special provisions that conflicts with this standard.

A printable version of this standard could be downloaded from the Traffic Safety and Engineering Standards and Specifications website:
