

MEMORANDUM

To: All Holders of Standard Plans
From: Esayas Butta, Traffic Standards and Specifications Engineer
Date: March 1, 2024
Subject: Issuance of Standard Plan S-614-20 “Typical Pole Mount Sign Installation”

With this memorandum, the Traffic Safety and Engineering Services Branch is issuing the S-614-20 standard plan set. This standard plan set, with all revisions, supersedes all previous standard plans of the same title.

The following revisions have been made to the S-614-20 standard plan set:

Sheet 1 of 1

- Removed note 5 from “Class I and II Assembly Fabrication” notes.

The designer should ensure that there are no other plan requirements or special provisions that conflicts with this standard.

A printable version of this standard could be downloaded from the Traffic and Safety Engineering Standards and Specifications website:
