

MEMORANDUM

To: All Holders of Standard Plans
From: Esayas Butta, Traffic Standards and Specifications Engineer
Date: April 4, 2024
Subject: Issuance of 2019 S-614-43 “Traffic Loop and Miscellaneous Signal Details” Plan Set

With this memorandum, the Traffic and Safety Engineering Branch is issuing the 2019 S-614-43 “Traffic Loop and Miscellaneous Signal Details” Plan Set. This standard plan set, with all revisions, supersedes all previous standard plan sets of the same title.

The following revisions have been made to the 2019 S-614-43 “Traffic Loop and Miscellaneous Signal Details” Plan Set:

General

- The number of sheets reduced from 8 pages to 7 pages and the sheet numbering were updated accordingly.

Sheet 1 of 8

- Updated note 3 to “Region 6 Traffic Signal Shop Jeff Lancaster, (303) 757-9511” with “Region Traffic Engineers”.

Sheet 4 of 8

- Updated pull box placement detail.
 - Reference to standard pull box updated from “sheet 6” to “S-613-3” in the pull box placement detail.

Sheet 6 of 8

- Moved to S-613-3 “Pull Box Detail” Standard Plan Set.

The designer should ensure that there are no other plan requirements or special provisions that conflicts with this standard.

A printable version of this standard could be downloaded from the Traffic and Safety Engineering Standards and Specifications website:
