

MEMORANDUM

To: All Holders of Standard Plans
From: Esayas Butta, Traffic Standards and Specifications Engineer
Date: September 22, 2025
Subject: Revisions of Standard Plan S-630-1 Traffic Controls for Highway Construction

With this memorandum, the Traffic Safety and Engineering Services Branch is issuing revisions to the S-630-1 standard plan set.

The Revised Standard Plan S-630-1 Sheet 16 of 26 supersedes all previous standard plans of the same title and sheet number.

The following revisions have been made to the S-630-1 standard plan set:

Sheet 16 of 26

- Revised sign sequence.
- Removed sign W4-50 "USE BOTH LANES DURING CONGESTION".
- Replaced sign W4-51 "TAKE TURNS MERGE HERE" with sign W9-2A "MERGE HERE TAKE TURNS" to match the Manual on Uniform Traffic Control Devices.

The designer should ensure that there are no other plan requirements or special provisions that conflicts with this standard.

A printable version of this standard could be downloaded from the Traffic and Safety Engineering Standards and Specifications website:
