**Re: Paving Activities on Greenwood Plaza Blvd., S. Syracuse Way, and E. Caley Ave.
City of Greenwood Village's 2012 Pavement Rehabilitation Project**

This notification is to inform you that final paving of Greenwood Plaza Blvd. from E. Orchard Rd. to E. Caley Ave., S. Syracuse Way from Greenwood Plaza Blvd. to E. Caley Ave., and E. Caley Ave. (westbound lanes only) from Greenwood Plaza Blvd. to S. Quebec St. is scheduled for **Monday October 15th** through **Friday October 19th**. These improvements are part of the Greenwood Village 2012 Pavement Rehabilitation Project.

Paving of Greenwood Plaza Blvd. starting at the intersection of Orchard Road and continuing to the end of the landscaped median (as shown in **orange** on the reverse side of this notice) will begin at 8:30 a.m. on **Monday, October 15th**. This phase of work will require that both directions of traffic be placed on one side of the median. In order to help accommodate morning and evening rush, the traffic signal at Orchard and Greenwood Plaza will be operated manually. However, due to high traffic volumes, and a reduction in capacity, alternate routes during commuter hours is advised.

The remainder of Greenwood Plaza Blvd., S. Syracuse Way, and E. Caley Ave. (westbound lanes only) will be paved **Tuesday, October 16th through Friday, October 19th** (see the map on the reverse side of this notice for scheduled paving dates and access restrictions). Paving hours for these dates will be 7:00 a.m. to 7:00 p.m. During these hours, side street and driveway access may be limited due to the paving operations. Business access will be alternated between entrances if two or more accesses are available. For properties with a single access, the entrance will generally remain open to traffic, but will be closed when the paving operation is in the immediate vicinity of the entrance. It is anticipated that some business accesses will be closed for periods of up to half an hour during paving.

In case of emergency, police and fire vehicles will be allowed through at all times. During the paving operations, we ask that you observe and obey all traffic control measures to ensure a safe work zone and to expedite the construction work.

If you are a Property Manager with multiple tenants in your building, or a representative of a Home Owner's Association, we ask that you forward this notice to all the tenants in your building. Upon request we can forward this notice in electronic .pdf format to assist in distribution. Please make such requests to Shawn Battmer via email at sbattmer@greenwoodvillage.com.

Should you have any questions or concerns, please contact Bob Seader, Superintendent, Aggregate Industries at (303) 210-4344 or Justin Williams, Project Manager II - Roads, City of Greenwood Village at (303) 708-6150.

Thank you for your cooperation.

Greenwood Plaza Blvd. / Syracuse / Caley Paving

October 15th through 19th

Paving Legend:

Monday, October 15

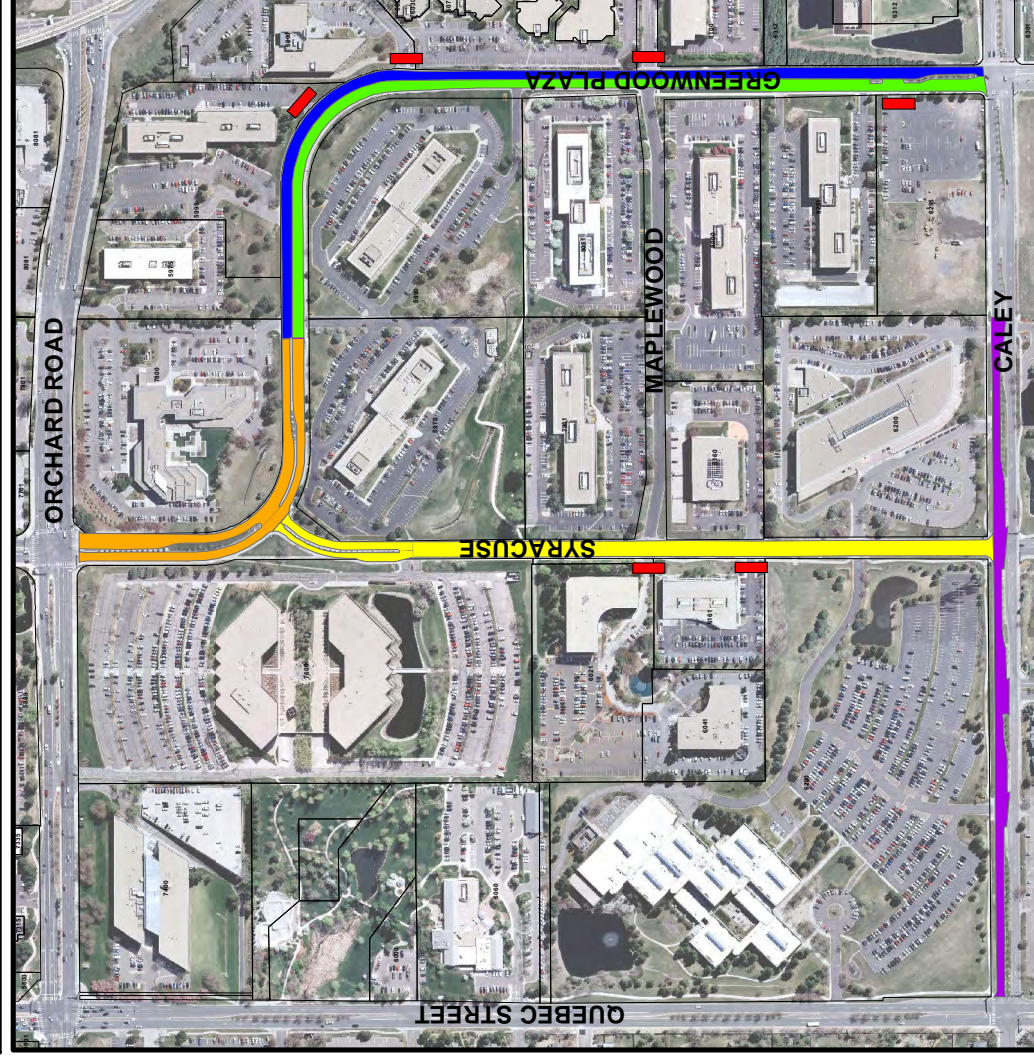

Tuesday, October 16

Wednesday, October 17
