

On The Road Again – (Scenic Byways Version)

Tune: *On The Road Again* by Willie Nelson

On the road again, just can't wait to get on the road again.
The life I love is cruisin' Byways with my friends
And I can't wait to get on the road again.

On the road again, goin' places that I've never been.
Seein' things that I may never see again
And I can't wait to get on the road again.

[Bridge]

On the road again, we're Commissioners just goin' down the highway
Headin' out as friends, seeing Colorado on our Scenic Byways, travelin' our way...

On the road again, just can't wait to get on the road again.
The life we love is cruisin' Byways with our friends
And we can't wait to get on the road again.

On the road again, goin' places that we've never been.
Seein' things that we may never see again
And we can't wait to get on the road again.

We can't wait to get on the road again.
I just can't wait to get on the road again.
